

Metered Filling Stations Locations and Instructions

OPERATING INSTRUCTIONS

1. **Hours of operation are Mon – Fri 7 a.m. to 7 p.m., Sat. & Sun. 9 a.m. to 6 p.m.**
2. Enter 2 digit account number, press the # key after complete account number has been entered. (if entered incorrectly you will hear a long beep and you will need to start over)
3. Enter your PASSWORD, press the # key after complete password has been entered.
4. You will hear 3 beeps and you will be ready to prepare for your fill.
5. Hook up appropriate hoses to fill station and tanker truck.
6. Press the START FILL button to begin water fill.
7. Press STOP FILL button approximately 100 gallons before truck is full. Valve closes slowly and takes that long to close completely. Damage resulting from overfill will be billed to Permit Holder.
8. If fill is complete, press the enter reset button to log off the system. IF THE RESET BUTTON IS NOT PUSHED THE NEXT PERSON TO DRAW WATER MAY BE ABLE TO DRAW ON YOUR ACCOUNT.
9. Disconnect hoses and leave fill station area as you found it. (No cleaning equipment at site, permit holder will be billed for clean up.)
10. **Damage to fill station for improper use will be billed to last customer to use fill station. If station is damaged upon your arrival contact the District prior to using fill station to report.**

***Due to increased security, drawing water from any District facility other than these lift stations will result in prosecution to the fullest extent of the law. Including fines ranging from \$350.00 to \$1000.00.**
