By signing below, you agree to the following: Water may be used only for non-drinking water purposes. Any water taken on this account number will be billed to you at the rate set forth in the District's rate and fee schedule. You agree to pay for all charges. Accounts will remain open and subject to the monthly billing charge as set forth in the District's rate and fee schedule, until written notice is given to close account. If you need to change your passcode for any reason, please contact the District immediately. There will be a fee for changing your passcode. You hereby agree to indemnify, defend and hold Cedar River Water and Sewer District harmless from all claims and liabilities arising out of your withdrawal, transport and use of water from Cedar River Water and Sewer District's filling station and provide an insurance certificate evidencing a commercially reasonable amount of liability insurance naming Cedar River Water and Sewer District as an additional insured.

OPERATING INSTRUCTIONS

1. Enter 2 digit ACCOUNT NUMBER, then press the # KEY. (If entered incorrectly you will hear a long beep and you will need to start over.)
2. Enter your PASSCODE *slowly*, then press the # KEY.
3. You will hear 3 beeps. You are now ready for your fill.
4. Hook up an appropriate hose to fill station.
5. Press the START FILL button to begin water fill.
6. Press STOP FILL button approximately 100 gallons before truck is full. Valve closes slowly and takes that long to close completely.
7. If fill is complete, press the ENTER/RESET BUTTON to log off the system. *(If the reset button is not pushed, the next person to draw water may be able to draw on your account.)*
8. Disconnect hose and leave fill station area as you found it.
9. **Damage to fill station resulting from improper use will be billed to the last customer to use fill station. If station is damaged upon your arrival, contact the District prior to using the fill station.**

Drawing water must be done at the two approved fill stations only, as indicated on the map provided to you. Drawing water from locations other than these approved fill stations may result in a fine of \$350.00 for the first offense and \$1,000.00 for each offense thereafter.
